Production

Construction

Logo

Logo Mark

Logo Type

Custom adjustments were made to this typeface.

The logomark should always be scaled and aligned with the x-height of logotype.

Always displayed in all lowercase (low is our pro).

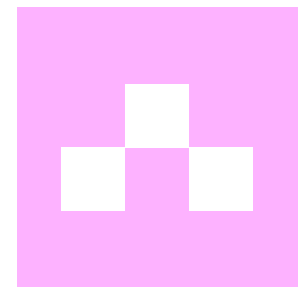

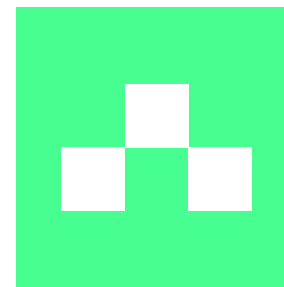

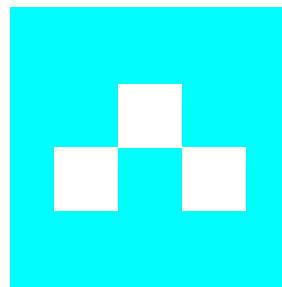

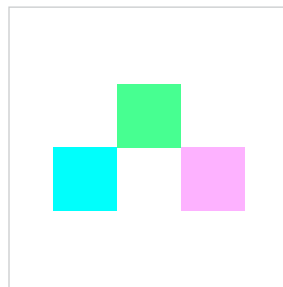

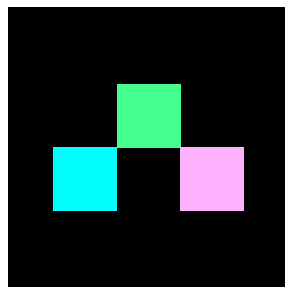

Color

Full color logo should always be white on a dark colored background (show up in the dark).

White color logo can be used on colored backgrounds.

Logomark can be used in black, white, blue, green & pink backgrounds.
